Town Manager's Report

Town of Goffstown
MUNICIPAL BUILDING
GOFFSTOWN
NEW HAMPSHIRE
03045
Office of the Manager

Board of Selectmen and Citizens
Town of Goffstown
Goffstown, New Hampshire

Gentlemen:

This, your Annual Report for 1964, is presented for your information. It contains many of the major accomplishments of the year in a form which we believe will be more informative to you. If there are additional details you would like, they are available at the Town Hall.

We had a very successful year with \$11,723.80 unexpended appropriations, and an actual income of \$13,530.37 above estimated. Most of this \$25,254.17 will be used to lower the 1965 tax rate.

Throughout the year, the Board of Selectmen and those of us who are employees of the Town, have attempted in every way to improve our service to you the people.

We hope the information in your report will be of assistance to you in the future.

Respectfully yours

Henry W. Scribner
Town Manager

Duties and Responsibilities of Town Manager

Since the Town adopted the provisions of the Town Manager-Selectmen form of Government, many residents have asked "Just what does a Town Manager do?"

The following might serve as a general guide as to the responsibilities of the Town Manager:

He shall be the Administrative Head of all Departments of the Town and be responsible for the efficient administration thereof. He shall have general supervision of the property and business affairs of the Town and of the expenditure of moneys appropriated by it for Town purposes.

Some of the Powers and Duties in Particular follow:

To appoint, upon merit and fitness alone, and to remove, all subordinate officers and employees under his control, and to fix their compensation.

To keep full and complete records of his office and to present the Board of Selectmen an itemized monthly report in writing.

To keep the Board of Selectmen fully advised as to the needs of the Town.

To have charge, control and supervision, subject to the direction of the Board of Selectmen and to the by-laws of the Town, of the following matters:

- (a) The construction, maintenance and repairing of all town buildings, town roads, highways, sidewalks and bridges.
- (b) The purchase of all supplies for the Town.
- (c) The Police and Fire Departments of the Town.
- (d) The system of sewers and drainage.
- (e) Lighting of streets, highways and bridges.
- (f) Removal of snow.
- (g) Maintenance of parks, commons and playgrounds.
- (h) Care of cemeteries.
- (i) Letting, making and performance of all contracts for work done for the Town.

To administer the poor relief of the Town.

To perform such other duties, consistent with his office, as may be required of him by vote of the Board of Selectmen.

The past year has seen many improvements in service to you, the taxpayer.

We have met weekly as a Board, and on numerous other occasions, to resolve problems brought before us. Major improvements have been brought about this year for the benefit of the community.

A complete survey of all streets and roads has led to the adoption of a priority list for all new drainage and paving. The same is true of sidewalks. A program was started this year to begin construction of the Goffstown Back Road. With this in mind, one mile was widened this year and will be graveled and paved next. Our plans call for starting another mile this coming spring.

Many needed improvements were made in street lighting. Forty new lights were added throughout the Town. We realize the need for additional improvements which we intend to carry out over the next three-year period.

With the improvements in the bookkeeping system, we have been informed at all times as to the financial situation. This has enabled us to work very closely with the Town Manager.

It was necessary to replace our front end loader this summer, as well as adding two new sidewalk plows. This equipment was purchased from the Capital Reserve Fund set up for this purpose.

For the coming year we are dedicated to providing housing for the Senior Citizens of the Town. For this purpose, we have appointed the Goffstown Housing Authority, and have included an article for you, the voters, to ratify. This Housing Project would be financed by the Federal Government and would make payments to the Town in lieu of taxes. Our elderly residents would be provided with comfortable apartments, tailored to their needs, for a rental of 20% of their income. This would include rent, lights and heat—a substantial savings we are sure for a large number of our Senior Citizens.

Of growing concern to us is the tax rate. As you realize, the rate is determined by the valuation of the Town, and the sum of money you appropriate for your town, school and county tax. Our attention has been brought many times this year to cases where land and

Selectmen's Report

properties have been taxed unfairly, or not at all. We have asked for a sum to be raised for property maps. These maps would be paid for over a two-year period of time and would be available for the yearly assessment in 1966. We believe the gain in revenue made possible by these maps would make up the amount to be appropriated.

We have included an article this year to provide an insurance program for the Town employees. We feel that our employees devote many hours for the welfare of the Town, and should be compensated in a manner similar to any other business or profession.

We still receive many, many complaints because of the lack of a rubbish and garbage pickup service. The location of the Goffstown dump creates a nuisance to many people in this section of Town. We are proposing again this year a residential garbage-rubbish pickup service, combined with the closing of the Goffstown dump. We propose using the present Pinardville dump as a sanitary fill disposal area to be attended and kept operating for the convenience of all residents. If this article is acted favorably upon, we will borrow \$20,000 to be paid back in four annual installments: this sum to be used for the purchase of the necessary packer truck and bulldozer.

Our estimates indicate that the yearly operating cost for this service would be approximately \$14,000 after the initial year. This would be approximately \$3000 more than it presently costs to maintain the two dumps and the garbage pickup service we now have.

These are but a few of the projects we anticipate for our Town. With a booming population and an increase in the demand for services, we must not lose sight of our responsibilities towards our citizens.

1964 Town Meeting

March 10, 1964

Moderator Gordon F. Burns called the meeting to order in the High School Auditorium at 10:03 A.M., with the reading of Articles 1, 2, and 3 of the School Warrant. A motion to dispense with the reading of the Town Warrant was made by W. J. Cloutier seconded and approved by voice vote.

A motion that the polls now be opened for voting: that the balance of the Warrant be read and acted upon at 7:00 o'clock in the afternoon of Wednesday March 11, 1964: that the polls close at 6:30 P.M. at the Fifth District and at 7:00 P.M. at the Central Polling Place, and that our next Town Meeting be opened at 10:00 o'clock in the forenoon at the Central Polling Place and 10:30 o'clock at the Fifth District Polling Place, made by W. Cloutier was seconded. An amendment to the motion made by N. Bigelow: "Because of the absence of many figures and explanations in the 1963 Town Report and because we have had only a few hours to study the financial affairs of the town, I move that the discussion of the Articles in the town warrant be considered at an adjourned meeting to be held at the Goffstown High School Auditorium on March 16th, 1964, at 7:30 o'clock in the evening and that the selectmen be requested to furnish the meeting with the missing data and explanations." Motion seconded and approved by voice vote.

Gardner Lamson made the following motion: "I move that the ballots, as counted by the sworn election officials under the direction of the Selectmen, Clerk and Moderators between 9:00 A.M. and 10:00 A.M. on the 10th day of March 1964 be accepted as counted in accordance with R.S.A. 59:23." Motion seconded and approved by voice vote.

The polls were declared open and voting commenced with three checklists being used. One for Town, Constitutional Convention and Presidential Preference Ballots; one for Sweepstakes Ballots and one for School Ballots.

Town Meeting Continued — March 16, 1964

Moderator Gordon F. Burns announced a Temporary Recess until admission of voters by Check Lists was completed.

Meeting called to order at 7:42 P.M. He expressed his appreciation to all who assisted in the election during the day and especially for those who assisted during the night. He said the counting of ballots was five times the ordinary counting load and that the counting was completed in short order with terrific results. (Counting of long National Convention delegates ballots was facilitated with the use of a special box and numbered guide.)

The Moderator announced that the swearing in of newly elected officials would be done directly after the adjournment of the meeting; that Francis L. Gaudreault, newly elected Selectman, had resigned from the Budget Committee and Mr. Albert Lamothe had been appointed to serve the remainder of the term.

The Moderator explained the need for using the Checklist for admission to the meeting. Unqualified persons had participated in discussions at the last Town Meeting. He also outlined the duties of the Moderator as outlined in R.S.A.40.

The Moderator proceeded with reading of the Warrant. A motion to dispense with reading of warrant and to take Article by Article was made, seconded and favorably voted upon.

ARTICLE 1. A motion to elect the incumbent Surveyors of Lumber and Cordors of Wood, Lawrence Shirley, Robert MacDougall, Gerald Upton and Arthur Grant, was made, seconded and approved by voice vote. Similar motions were made, seconded and approved by voice vote for the election of incumbent Auditors, Frank W. Bartlett, Howard E. Johnson, and Carl B. Pattee; the incumbent Fence Viewers, the Board of Selectmen. A motion to elect Trustees of Playgrounds was dropped on information from the floor that Trustees are appointed and not elected. Lawrence W. Putnam and Willard C. Pratt were nominated for Fire Wardens. Their election was moved, seconded and approved by voice vote.

ARTICLE 2. Discussion of the adoption of the budget as submitted by the Budget Committee led to a motion to postpone action on the budget total until the special articles in the Warrant had been acted upon. The motion was seconded and approved by voice vote.

ARTICLE 3. To authorize the Selectmen to borrow in anticipation of taxes, was moved, seconded and approved by voice vote.

ARTICLE 4. To authorize Selectmen to administer Real Estate of the town, was favorably moved, seconded and approved by voice vote.

ARTICLE 5. To amend 1958 action on Alfred and Olivene Danis gift of land for a right of way 30 feet wide, was explained by Selectman Elmer B. Nickerson. He said that there were 30-40 residences on the 30 foot road, the houses are close to the road and approval of the article would make it possible to have a road that would be accepted by the Town. A motion to approve the article was made, seconded and approved by voice vote.

ARTICLE 6. It was moved, seconded and voted affirmatively by voice vote to accept a gift by deed, from Earle F. and Marion L. Dubois of a 40 foot wide, 570 foot long road to be known as Mountain View Road running westerly from Paige Hill Road.

ARTICLE 7. Discussion of this article covered the pros and cons of selling town land, a question whether the Town Planning Board had any recommendation, and a question of the consideration for the land. A motion was made to sell all the land in the area or none; it was not seconded. A motion to authorize the Selectmen to sell the wedge-shaped piece of land at 12 Church St. was made, seconded and approved by voice vote.

ARTICLE 8. It was moved, seconded and affirmatively voted by voice vote to authorize the Selectmen to close Higgins Street from the northwest corner of land owned by Fernand Roy to Mast Road.

ARTICLE 9. A motion to dismiss the article to petition the State Tax Commission for an audit of the accounts of the Town was made, seconded and approved by voice vote.

At the sounding of the Town Fire Whistle a temporary recess was declared by the Moderator so that the Firemen could leave the meeting.

ARTICLE 10. A motion to dismiss the article to authorize the Selectmen to appoint a Highway Agent instead of electing by ballot was made, seconded and approved by voice vote.

ARTICLE 11. In consideration of Article 11, a reading of RSA, Chapter 235:1 was requested from the floor on a point of order. The Moderator read the article. After discussion it was moved to dismiss the article. This was seconded and the article was defeated by voice vote.

ARTICLE 12. It was moved, seconded and approved by voice vote to authorize the establishment of a Capital Reserve Fund for purchasing of a new fire truck and appropriate \$1500.00 for initial payment.

ARTICLE 13. A discussion of Article 13 brought up a motion to consider Article 14 first and then return to Article 13. This was seconded. On advice of Town counsel that no funds were available for action on Article 14 the motion was withdrawn. A request that Article 14 might be discussed was approved by counsel.

The discussion of the town dump situation brought out comments from the floor as to the adequacy of the present dumps and the cost of operating them compared to the proposed expenditure of \$22,000.00. The Town Manager clarified the proposed expenditures: \$9,000.00 for a used Shovel-Crawler (a tractor used to distribute and cover garbage refuse in the dump with dirt); \$13,000.00 for a Compactor—(a truck that would collect from each home on accepted roads in town at least once a week; pick up refuse and garbage; the capacity of the truck increased by a compacting device that presses the picked-up refuse into a smaller mass for efficient trucking). The cost of operation includes driver for the truck and operator for Shovel-Crawler and truck labor. It is proposed to operate the system for three months to get an operating cost figure which after review would be presented to Budget Committee. Operation to begin immediately if approved. Questions from the floor were concerned with: disposal of stumps; possibility of twice a week operation in summer; advisability of changing purpose of Reserve Fund when Highway Equipment may need replacement in next few years; previous proposals of Rubbish Pick-up service have been voted down; worth having the service at a \$1.00 increase in the Tax Rate.

Moderator ruled a return to consider Article 13. Approval would require 2/3 majority and voting would be by check list. A motion to dismiss article was made and seconded. Voice vote was not clear so a standing vote was called for. Messrs. Gray, Baker, Bigelow, Lamothe, and Gaudreault, were appointed counters. The Moderator ruled that the vote to dismiss article would require a majority (over 50%). When question to dismiss article was put to a vote, a great majority stood up—counting was dispensed with and the article was declared dismissed.

ARTICLE 14. Consideration of this article to authorize purchase of sanitary fill and garbage and refuse truck and tractor brought a motion to dismiss the article. The motion was seconded and dismissal was approved by voice vote.

ARTICLE 15. Concerning expenditure for painting Grasmere Bridge was considered. In answer to a question regarding bids received, Selectmen advised that a bid had been received 2 or 3 days ago. In any case they will get the lowest possible price in keeping with standards set-up for the job. A motion to approve the expenditure was made, seconded and approved by voice vote.

ARTICLE 16. The appropriation for salaries of the Goffstown District Court was moved for approval, seconded and favorably voted by voice vote.

ARTICLE 17. The appropriation of funds for the establishment and maintenance of the Goffstown District Court was favorably moved, seconded and voted by voice vote.

ARTICLE 18. The appropriation of \$1500.00 for improvements at the Barnard Playground was favorably moved, seconded and voted by voice vote.

ARTICLE 19. The appropriation of \$5800.00 for the construction of Laurier Street Extension was favorably moved, seconded and voted by voice vote.

ARTICLE 20. Continuation of Town Manager Plan approved by Ballot on previous Tuesday, March 10, 1964.

ARTICLE 21. The Moderator called for Reports of Agents, Auditors and Committees.

The Trustees of the Barnard Playground represented by Mr. Norman Colburn noted the omission of the names on page 7 of the Town Report of the new members Mr. Leon Burke and Mr. Dwight Conant. The playground and skating rinks have had excellent participation, and the tennis courts were very successful.

Mr. Emile Bourque of the School Committee noted an omission of Bartlett School Bond Issue on page 31.

Discussing approval of Town Report, Mr. Nickerson reported that the supplement which was made available has the revised figures and that the Selectmen feel that they are correct. To a question to the Budget Committee as to the correctness of the figures, Mr. Donald Fairbanks, reported that the figures he cited were correct and that the Budget Committee had no control over the Town Report. A motion was made to accept the reports as submitted. An amendment to accept the corrected reports by the Budget Committee was made and seconded. The motion with amendment was seconded. Mr. Fairbanks reported that the Article 2 as printed is absolutely correct plus \$18,900.00 contained in Special Articles approved at this meeting. The motion was seconded and approved by voice vote.

A motion to adjourn was made and seconded, followed immediately by a motion to rescind which was seconded and approved.

A motion to amend Article 2 to read "also include the payment of the County Tax" was made, seconded and approved by voice vote. A motion to approve Article 2 with the amendment "also include the payment of the County Tax" was made, seconded and affirmed by voice vote.

A motion to adjourn was made, seconded and approved.

Meeting adjourned at 9:14 P.M.

A true copy—Attest:

GEORGE T. AIMO
Town Clerk

1965 Warrant

To the Inhabitants of the Town of Goffstown in the said County of Hillsborough, in said State, qualified to vote in Town Affairs and to the Inhabitants of the School District in the Town of Goffstown qualified to vote in School District Affairs:

You are hereby notified to meet at the Goffstown High School in said Town on Tuesday, the 9th of March, at ten o'clock in the forenoon, to act on the following subjects:

The polls will open at 10:00 A. M. and close at 7:00 P. M. at the Central Polling Place and will open at 10:30 A. M. and close at 6:30 P.M. in the Fifth District, Pinardville Fire Station:

None of the articles in the warrant, except those relating to the election of officers and those covering questions on the ballot, shall be considered during the time that the polls are open.

1. To choose all Town Officers, Trustees and Commissioners, and School District Officers for the ensuing year, including a member of the Board of Selectmen for three years.

2. To see if the Town will vote that there is need for a Housing Authority in accordance with R.S.A. 203:4.

3. To see if the Town will vote to adopt the budget as submitted by the Budget Committee in the amount of Four Hundred Thirty Four Thousand Ninety Three Dollars and ninety two cents (\$434,093.92) and raise by taxes the sum of Three Hundred Six Thousand Three Hundred Forty Three Dollars and Ninety two cents (\$306,343.92) (county tax not included).

4. To see if the Town will vote to authorize the Selectmen to borrow from time to time, such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town.

5. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deed, purchase, prescription or gift.

6. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Five Hundred Dollars (\$15,500) for the preparation of a Town Master Plan and Property Maps, and to authorize the Board of Selectmen to seek all available Federal and/or State funds, to match the appropriation for the Master Plan. (The sum of Twenty One Thousand Dollars (\$21,000) over two years is required for the Property Map program, Ten Thousand Five Hundred (\$10,500) of which is included in the above article.) Recommended by the Budget Committee.

7. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000) in

support of Goffstown Jr. Baseball, Inc. Recommended by the Budget Committee.

8. To see if the Town will vote to raise and appropriate a sum not to exceed Seven Thousand Dollars (\$7,000) to institute an insurance program for full-time employees of the Town. Recommended by the Budget Committee.

9. To see if the Town will vote to raise and appropriate a sum of money not to exceed Twenty Thousand Dollars (\$20,000) for the purpose of providing the equipment required (Packer truck and bulldozer) to institute a residential garbage and rubbish removal program for the residents of the Town situated on Town owned streets, roads and highways; and to further direct and authorize the Board of Selectmen to raise said sum of Twenty Thousand Dollars (\$20,000) through the issuance of serial notes under and in compliance with the Municipal Finance Act and any amendments thereto, to issue and negotiate such notes and to determine the rate of interest thereon, and to take such actions as may be necessary to effect the issuance, negotiation, sale and delivery of such notes as shall be in the best interest of the Town of Goffstown. Recommended by the Budget Committee.

10. To see if the Town will vote to authorize the Board of Selectmen to purchase approximately four acres of land adjacent to the Barnard Playground, commonly known as the Peaslee land, and to raise and appropriate a sum not to exceed One Thousand Dollars (\$1,000) for above purchase. Recommended by the Budget Committee.

11. To see if the Town will vote to authorize the Board of Selectmen to contract for an audit of the accounts of the Town for the fiscal year ending December 31, 1965. Recommended by the Budget Committee.

12. To see if the Town will vote to authorize the Board of Selectmen to accept a strip of land 33' in width by approximately 256' in length, said strip to be deeded by Bruce Willey to the Town, and constructed to specifications acceptable to the Board of Selectmen prior to its acceptance as a Town road. (Selectmen have established a minimum width of 40' as their standard.) Inserted by petition.

13. To see if the Town will vote to acquire right, title and interest of the Goffstown School District in and to the Grasmere School House.

14. To see if the Town will establish a Town Conservation Commission as set forth in R.S.A. 36:A.

15. To hear the reports of Town Officers, Auditors and Committees and to pass any vote relating thereto.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal this nineteenth day of February 1965.

Elmer B. Nickerson
John R. Langley
Francis L. Gaudreault

Louis St.	Bailey Court
Fairview St. (North)	Lynchville Park Loop
Fairview St. (South)	Glenwood Drive
Plummer St.	2nd Avenue
Roosevelt St.	3rd Avenue

Sidewalk Construction

Front of Common to Pierce's Store
Grasmere Post Office to Pare's Market
Bortlett School front

Kennedy Hill Road

Ledge removal on Back Road

Areas Completed

Resurfaced with Mix-in-place	48,333 sq. yds.
Resurfaced with Asphalt and Sand	136,209 sq. yds.
By contract	106,858 sq. yds.

Materials Used in 1964

Salt	770 tons
Sand	2649 yds.
Gravel	2285 yds.
Cold Patch	3022 tons
Hot Mix	32 tons

Planned Projects for 1965

Continuation of Back Road project.

Repave, curb and sidewalk from Manchester line to approximately Eden Street.

Reconstruct Shirley Park—Wallace Road intersection.

Repave and improve bridge on Kennedy Hill Road.

Repave Main Street from Library to Bridge.

Continuation of sidewalk program.

Continuation of seal coating program.

Start on permanent paving program for residential streets.

Laurier Street built by Special Article

Wallace Road Intersection

Widening Right-of-Ways

New Equipment Added During Year

Trucks

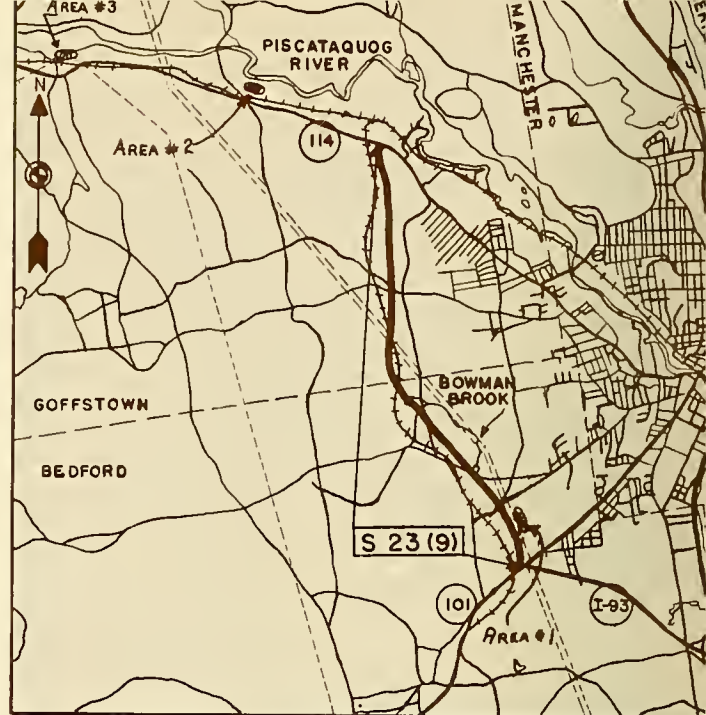

Sidewalk Plows

Caterpillar Front-end Loader

Entrance to new Pinardville Dump, off Laurier Street

New Belt Route

Acceptance of Town Streets

There are four sets of circumstances under which a strip of land will become a highway which the town is compelled to expend money to maintain and repair:

1. When the Selectmen, upon petition, lay out a highway following proper notice, public hearings and assessment of damages.
2. When a road has been dedicated to the public use by the owner of the land over which it passes and is thereafter accepted by the town through its Selectmen or possibly at town meetings. Although the law is not clear that the town meeting can accept.
3. When a roadway is constructed for public travel over land which has been conveyed to the town.
4. When a road has been used for public travel for twenty years.

The Selectmen, alone, have the power to lay out a highway under method (1) above. While it is not clear whether a town meeting can accept a dedication under method (2) above, it is recommended in any event, that such action should not be taken by the town meeting because the Selectmen are in a far better position to determine whether the dedicated roadway is in proper condition as relates to grade, surfacing, etc., before accepting it and obligating the town to keep it in proper repair. Under method (3) above, the Selectmen can accept a deed of gift or the town meeting can vote to purchase certain land and a decision can thereafter be made to construct a highway over it. Method (4) requires no consideration.

Trustees' Report

We gratefully acknowledge the services and gifts of various townspeople during the past year. We extend special thanks to the Neighborly Club for their generosity in providing a Trust Fund for the Library. We commend our librarian, Mrs. Dorothy Vickery, and her staff for their conscientious efforts.

Landscaping of the library grounds has continued. In cooperation with the Goffstown Garden Club, a cedar hedge was set out at the side of our property. The Club also planted and maintained an attractive circular flower bed in front of the library.

To meet the increased demand for library service, with improved convenience for the public, the trustees have extended the hours of operation. Beginning in January of this year, the library will be open Monday through Friday from 1:00 to 5:00 p.m. and Monday and Wednesday evenings from 6:30 to 8:30 p.m.

With the continued growth in library circulation, greater number of patrons and steadily increasing number of volumes carried, we are faced with the need of providing additional facilities. Present plans call for obtaining more book shelving this year, and we expect to formulate a long range program for expanding and modernizing the library through greater utilization of all available space.

Despite increased costs for salaries, supplies and maintenance for the ensuing year, we have held our town appropriation request at the same figure as last year. We were able to do this by using unexpended funds, including accrued interest from trust funds. This interest represents money that was allowed to accumulate in the trust funds, but from now on we plan to spend such interest each year, retaining only the principal.

Public Library

Report of the Librarian

Again this year, our total circulation shows a substantial increase, as it has for the past several years. Also, more use is being made of our reference books, since we are able to provide books covering a wider range of interests, but the demand still far exceeds our supply. A few of these books have been given as gifts and memorials this year. A new edition of Compton's Encyclopedia was added through the Eaton Fund.

The Summer Reading Program for the children becomes more popular each year, both in interest and number of readers. This added reading improves the child's skills and he learns to use the library. Several teachers bring their classes for regular visits in order to widen the reading interest. We supply regular monthly loans to other teachers for classroom use. The State Bookmobile assists by providing additional books for these loans.

We feel, at the present time, that an area where adults could read, browse and select their reading material would be most beneficial.

1964 Report of Barnard Playground Trustees

The attendance at Barnard Playground has greatly improved due to increased facilities and planning. The summer was marked with success under the able leadership of Edward Colburn and Pamela Anslow. The special events week at the end of the program was enthusiastically received and prizes for attendance, leadership in sports and participation in scheduled activities were awarded. The program included arts and crafts for the younger group along with supervised games and play. The older groups' well-rounded program included baseball, tennis, horse shoes, basketball, weight lifting, soccer, and card playing on rainy days.

Some of the improvements accomplished during 1964 included a temporary basketball court, fencing of tennis courts, improvement of road, repair of grandstand, repair of pillars at entrance near Mast Road, and general clean-up of pond for skating. Poles for the basketball court were donated by the Public Service and the Boy Scouts gave freely of their time to help clean up the pond.

Projects contemplated for the ensuing year include:

1. Basketball Court
2. Sodding of infield of Baseball Diamond
3. Parking Area Layout
4. Purchase of Land Behind Tennis Courts

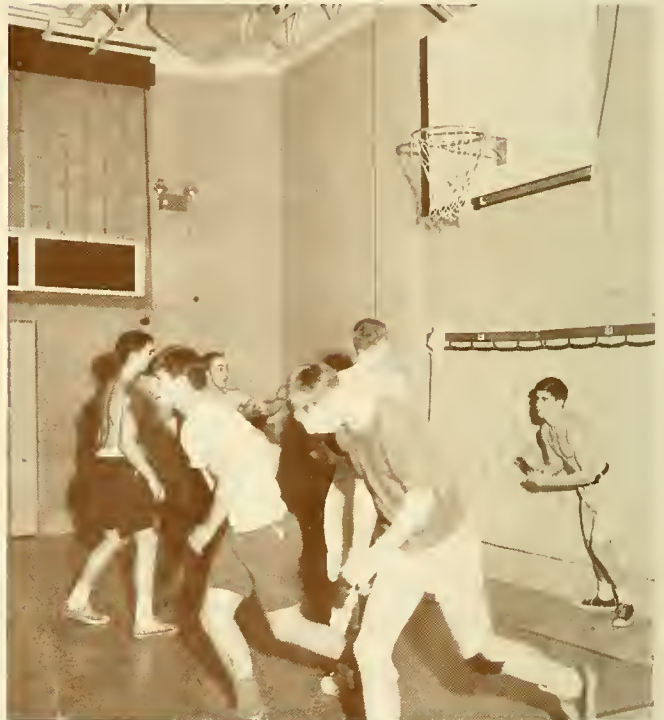

We wish to thank you for your past cooperation and hope that through a continued joint effort we may strive for an even better year in 1965.

Respectfully submitted,

Harry J. Anslow
Chairman

Teen-age Dance at Goffstown Town Hall

Pinardville
Boys Club

Your board has had its most active year since it was established by vote of the Town. Twelve scheduled meetings have been held, many of them with other groups or departments of the town government, in order to get a uniform opinion upon questions which have arisen.

Many violations of the zoning law have been called to our attention, particularly with regard to signs, trailers, and auto dump yards. The Board has consulted with the Town Manager, the Selectmen, and with the Board of Adjustment regarding these violations. In general it has been found that the zoning law is working satisfactorily and that no amendments to the law should be proposed at the current Town Meeting. After the citizens have shown proper respect for the present law, and needed changes have shown themselves necessary, the Board will reconsider the zoning law and propose whatever is required to meet the needs of changing times.

The Congress in 1954 as part of the Federal Housing Act provided for assistance to states and towns in comprehensive planning. This year the Board decided to act toward the goal of getting this assistance from the State and from the Federal Government. Many towns in the state, including Bedford and Derry, have taken advantage of this assistance and have engaged professional firms to undertake the planning surveys that are necessary. The State Department of Resources and Economic Development is interested in assisting Towns to take advantage of the Housing Act, and has sent representatives to nearly all of our meetings.

When the Board became fully aware of how the planning survey would be undertaken, it invited five firms from the northeast part of the country that are

Planning Board

specialists in the field of planning to meet with the Board, one firm at a time. As a result of these meetings the Board unanimously agreed upon the firm of James W. Sewall Company, of Old Town, Maine. Two members of this firm met with representatives of the Budget Committee, the Water Commissioners, the Selectmen, Town Manager, and the Planning Board, and as a result it was unanimously agreed that the sum of \$5,000.00 be raised as part of the current budget of the Town as our share of the cost of the planning program.

The planning work will probably be completed within two years, and as a result the Town will have available surveys projected into the future in all phases of Town affairs, such as education, economic development, zoning, building codes, recreation, population trends, capital investments, industry, transportation, town facilities. Thereafter the Town can take action or not as any of these items appear feasible. It is not the purpose of this planning program to lay out a pattern for action that must be adopted by Town, but to make available the best planning thought toward future development of the Town that can be obtained.

David Prugh
Clerk

Board of Adjustment

Summary of Cases Heard — 1964

The Board of Adjustment had a record year in 1964 with thirty-five cases appearing before the board for consideration.

A breakdown of the cases are as follows:

Nine appeals for permit for new dwellings. Eight were granted and one was denied.

One appeal to relocate a house was granted.

One appeal to convert a garage into living quarters was denied.

Ten appeals for accessory buildings were heard; seven were granted, three denied.

Six appeals for commercial buildings and offices were heard. Four were granted and two denied.

Three cases for temporary use of Mobile Homes were granted.

Four appeals for junk yards were heard of which one was granted and three were denied.

One appeal for antenna sites was heard and granted.

New District Court - Grasmere Town Hall

After nearly four years of Zoning in the town of Goffstown, N. H., the question is no longer is zoning here to stay, but rather how can we improve on it. After two hundred years of free growth, it was hard for a lot of residents to get use to the restrictions imposed by the ordinance. In the few years since its enactment, the citizens of the town are in agreement that zoning is in fact an insurance of which the premium is only the respect for others and their properties.

It goes to say that the Goffstown zoning ordinance was not enacted to protect the majority nor to suppress a minority but with a firm intent to benefit the whole community.

A true record.
Edmond J. Neveu, Sec.

Auditor's Report

Grasmere, New Hampshire
January 11, 1965

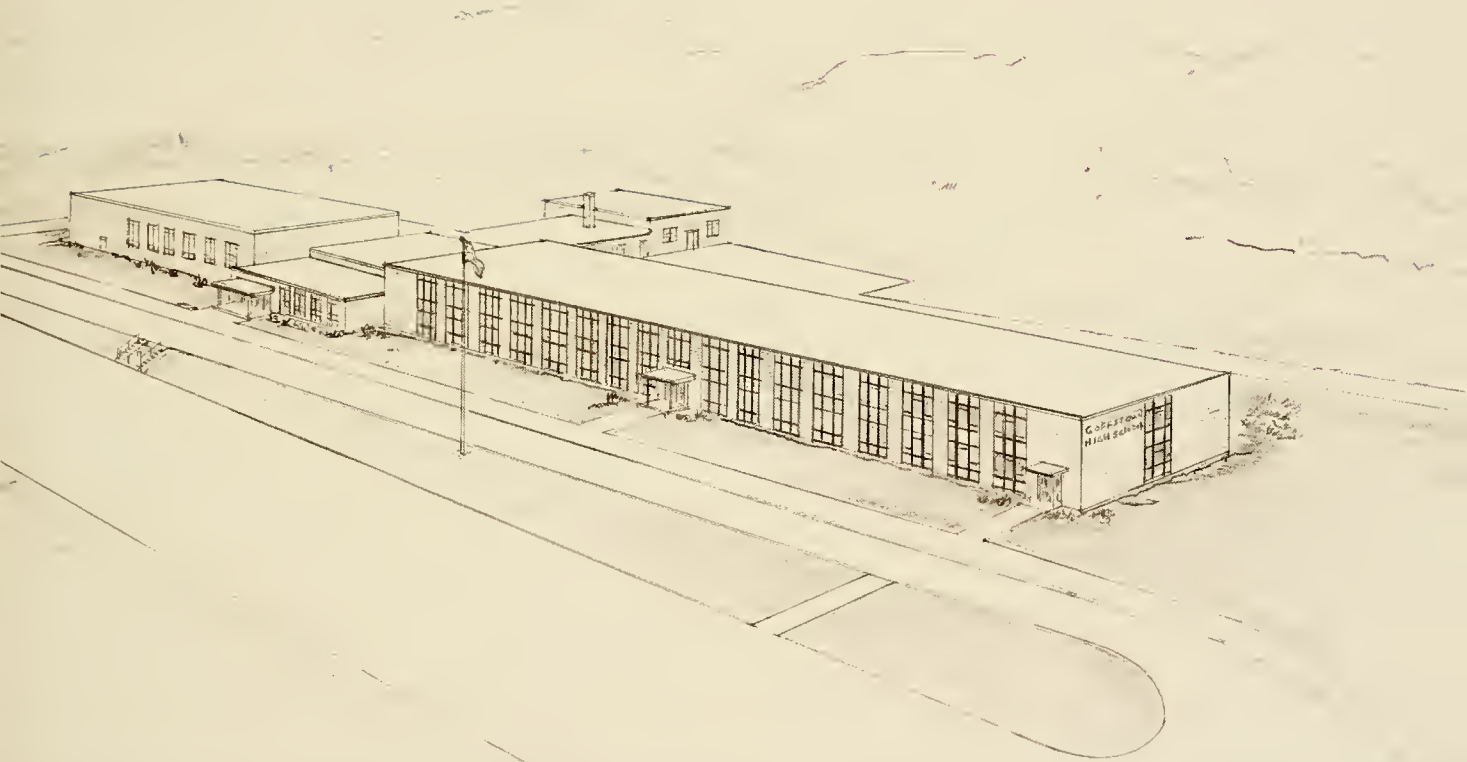

This is to certify that I have this date examined the books, vouchers, bank statement, and other financial records of Theodore J. Rohr, Treasurer, Grasmere Village Water Precinct for the year ending December 31, 1964 and find them correctly cast and properly vouched.

Carl K. Hardy
Auditor

Repairing main in front of Town Hall

Education

Ground breaking ceremonies for the beginning of construction of the new Goffstown High School Building were held October 18, 1964 at the Bartlett site off Wallace Road at four o'clock in the afternoon. Nearly one hundred citizens of the Town were present including members of the School Board, Superintendent of the Schools, Moderator, Clerk and Treasurer of the School District, Architect, Board of Selectmen, Town Manager, Town Clerk, Tax Collector, members of the Budget Committee, the Site Committee and Attorney Hedley G. Pingree. Mr. Kohls, Chairman of the School Board, called the assembly to order at the appointed time.

He spoke briefly as to what the meeting was called for and thanked all those who helped in any way to make possible this day for breaking of the ground and the construction of a new High School Building. He then asked for a moment of silent prayer. After which Mr. Kahls with a new shovel turned up a shovel full of dirt to start the construction. This ended the ceremonies except for the taking of pictures by the press.

The afternoon was clear and warm after a rainy forenoon and made a very pleasant time for the ceremonies.

Regular Meeting of Goffstown School District

March 17, 1964

Regular Meeting of the Goffstown School District held at High School Auditorium. Meeting called to order by Moderator, Gordon F. Burns at 8:00 o'clock in the evening. Call for the Meeting. Voted to omit the reading of the Warrant and act on each Article as it appears.

The Moderator then read the report from the Judge of the Superior Court as to his findings regarding the results of the Special School Meeting held May 21, 1963. Said report is on file with the Clerks record.

ARTICLE 1.

Voted that the salaries of all School District Officers remain the same as printed in the Town Report, namely \$810.00 Amended to read \$830.00 and so voted.

ARTICLE 2.

Motion made that we approve the minutes of the last School District Meeting as amended by the Superior Court and to accept the reports of Agents, Auditors and Committees as printed in the Town Report, subject to any inadvertent errors or omissions. Vote was in the affirmative with no objections.

ARTICLE 3.

Voted that the State Tax Commission audit the accounts of the School District as in the past.

ARTICLE 4.

Voted that the district raise and appropriate \$603,085.27 for the support of schools, for the salaries of school District Officials and agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from the State foundation aid fund together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxation.

ARTICLE 5.

MOTION. I move that the district vote to authorize

the School Board to make application for and to accept on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States. Voted to accept the printed motion.

ARTICLE 6.

Voted to act favorable on this article and to raise and appropriate a sum not to exceed \$900.00 to erect a three (300) hundred foot chain link fence between the Bartlett School property and the Dobe property.

ARTICLE 7.

MOTION. I move that the Goffstown School District vote to accept from Alida Parenteau a deed of gift of a tract of land, adjacent to the rear of the Bartlett School property and will vote to raise and appropriate a sum not to exceed Three Thousand (\$3,000.00) for fill for the gulley at the rear of the Bartlett School including the part of said gulley on land still held by the said Alide Parenteau. Voted to act favorable on this article.

ARTICLE 8.

The Moderator quoted from Roberts Rules of Order Paragraph 37. He ruled the Article out of order and refused to put the question.

ARTICLE 9.

A rising vote of thanks given lawyers Richard Kohls and Hedley Pingree for services rendered the School District. A rising vote of thanks given Albert F. Snay, M.D. for his services as a member of the School Board. He did not seek re-election.

There being no further business, meeting was adjourned.

CARL B. PATTEE, Clerk.

A TRUE COPY OF RECORD, Attest.

CARL B. PATTEE, Clerk.

School Warrant

To the Inhabitants of the School District in the town of Goffstown qualified to vote in district affairs:

You are hereby notified to meet at the Goffstown High School in said district on the 9th day of March 1965, at 10:00 o'clock in the forenoon, except those who reside in the Fifth District Voting Precinct, who are notified to meet at the Bartlett School in said Precinct at 10:30 o'clock in the forenoon, to cast ballots from that hour of said day for the following School District Officers:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two members of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

You are also notified to reconvene at the Goffstown High School in said District on the 16th day of March 1965 at 8:00 o'clock in the evening to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.
5. To see if the district will vote to authorize the School Board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.
6. To see if the Goffstown School District will vote to raise and appropriate a sum not to exceed \$500.00 to erect a chain link fence along the rear boundary of the Bartlett School property to join the existing fences.
7. To see if the Goffstown School District will vote to sell all its right, title and interest in the Grasmere School House to the Town of Goffstown for the sum of \$1.00 and to authorize the School Board to execute a deed carrying out the foregoing purpose.
8. To see if the Goffstown School District will vote to raise and appropriate a sum not to exceed \$1170.00 to purchase and install storm windows on the old Bartlett School building.
9. To see if the Goffstown School District will vote to authorize its School Board to negotiate and execute

long term contracts with one or more other school districts to receive said other districts' grade seven through twelve, or any portion thereof, as tuition pupils, effective on or after September 1965, at rates to be set by the Goffstown School Board within limits permitted by law.

10. To see if the Goffstown School District will vote to raise and appropriate a sum not to exceed \$100.00 to obtain options to purchase property adjacent to the Bartlett School property and to authorize the School Board to negotiate and execute said options.

11. To see if the Goffstown School District will vote to ratify the tuition contract between Goffstown and New Boston.

Given under our hands at said Goffstown this 20th day of February, 1965.

SCHOOL BOARD

Superintendent's Report

To the School Board and Citizens of Goffstown:

I herewith submit my third annual report relative to the schools of Goffstown.

The enrollment of the Goffstown Schools has increased to an alltime high of 1318 pupils in the four schools as follows:

Grade	Maple Avenue School	Bartlett School	White School	Goffstown High School	Total 1964-65	Anticipated 1965-66
1	93	45			138	151
2	80	36			116	138
3	101	40			141	116
4	93	21			114	141
5	79	33			112	114
6	102	30			132	112
7		5	112		117	158
8		9	87		96	132
9				90	90	121
10				90	90	98
11				86	86	104
12				86	86	105
TOTAL	548	219	199	352	1318	1490

As the need for additional classrooms is indicated by the above table, the completion of the new Goffstown High School classroom wing by September 1965 will relieve the overcrowded conditions in all schools and allow for the enrollment of tuition pupils in grades seven through twelve.

The new Goffstown High School with construction currently on schedule will accomodate approximately 370 Goffstown students grades 9 through 12 and approximately 70 tuition pupils in the initial year of operation.

The three hundred foot two story classroom wing contains adequate regulation classroom space and provides specialized areas for general science, biology, physics, chemistry, home economics, language laboratory, modern library, and the commercial department. Each student will be provided with a private corridor locker for his personal belongings and books.

There will be offices for the principal, assistant principal, general office, guidance department, a health suite, teachers' work rooms, custodial areas and ample storage areas.

Provision has been made for industrial arts, drafting, music, art, a standard sized gymnasium, shower and locker room areas, and ample gymnasium bleachers.

The new Goffstown High School, a million dollar investment of the citizens of Goffstown, will provide an educational facility adequate in every detail to provide for the students a modern educational opportunity with an enriched and expanded curriculum.

There will be a complete modern kitchen and cafeteria. The dual purpose cafeteria is being constructed to serve as a well lighted study hall during periods when it is not used as a cafeteria.

The seventh and eighth grades with an anticipated total enrollment of 289 will be transferred to the present high school. The school should be adequate in size for the foreseeable future assuming no major increases in the school population indicated in the in-line projection of current enrollments.

It will be necessary to use the White School in the fall of 1965 for three sixth grades of the Maple Avenue School and one sixth grade from the Bartlett School. The schools can no longer accommodate all six grades.

School libraries have been established in the Bartlett School, Maple Avenue School and Goffstown High School to allow pupils to become adept in using the resources provided by a school library to enrich the contents of their courses.

To insure that each boy and girl will learn to read to the limit of his ability, a full time elementary remedial reading teacher was added to the staff this year.

The schools of Goffstown are staffed with enthusiastic and dedicated principals and teachers serving the educational interests of the individual boys and girls. Results of administrative evaluation, extensive standardized testing, and satisfactory post-secondary school success are indicative of a desirable end result of the Goffstown School system.

The Goffstown School Board and the citizens of Goffstown are to be commended for the support given to the educational effort of the community indicating adherence to a proper sense of values in establishing education's share of the total tax dollar.

I wish to acknowledge the full cooperation which has been extended to the administration by the School Board, the principals, teachers, pupils and the citizens of Goffstown in our mutual task of promoting the educational welfare of the students. I wish also to express my appreciation to the Supervisory Union personnel, Spiro Anastos, Teacher Consultant, and Mrs. Ruth Henk, and Mrs. Harold Smith of the office staff.

Respectfully submitted

ERNEST PELTONEN

Superintendent of Schools
